Great School. Great Future

Grade: V

Summer Holiday Homework

Summer Holiday Homework 2026-27

GRADE V

Subject	
English	<p>I. Project Work Paste pictures of 5 different types of bread on colourful A4 sheets. Write 2-3 sentences about each bread. Decorate the sheet neatly and creatively.</p> <p>Parameters for Assessment:</p> <ol style="list-style-type: none">1. Creativity and Presentation2. Neatness3. Correct Information4. Use of Materials5. Overall Effort <p>II. Worksheet Read the passage carefully and answer the questions. Lemon and lime are small citrus fruits that are rich in vitamin C and very beneficial for health. They have a sour taste and are widely used in drinks, salads, and cooking. Drinking lemon water helps keep the body fresh and hydrated during summer. Lime juice improves digestion and helps fight infections. Both fruits help strengthen the immune system and keep the skin healthy and glowing. Farmers grow lemons and limes in warm climates where there is plenty of sunlight. These fruits are also used in medicines and cleaning products because of their natural properties. Eating lemons and limes regularly helps people stay active and healthy.</p> <p>Multiple Choice Questions (MCQs)</p> <ol style="list-style-type: none">1. Lemon and lime are rich in:<ol style="list-style-type: none">a) Calciumb) Vitamin Cc) Irond) Protein2. Lemon water helps the body stay:<ol style="list-style-type: none">a) Weakb) Coldc) Hydratedd) Sleepy3. Lime juice helps improve:<ol style="list-style-type: none">a) Hearingb) Digestionc) Writingd) Running4. Lemons and limes grow best in:<ol style="list-style-type: none">a) Cold climatesb) Snowy placesc) Warm climatesd) Mountains5. These fruits are also used in:<ol style="list-style-type: none">a) Toysb) Cleaning productsc) Furnitured) Paints <p>Answer the Following Questions</p> <ol style="list-style-type: none">1. What type of fruits are lemon and lime?

2. Why is vitamin C important for our body?
3. How does lemon water help during summer?
4. Where are lemons and limes grown?
5. Why are these fruits used in medicines and cleaning products?

A. Write an autobiography of a pencil in about 80-100 words.

B. Write an autobiography of a dog in about 80-100 words.

V. Learning Work

1. Learn 1 to 100 spelling of Term-I from the spelling list provided.
2. Revise the work done in Literature and Grammar.

Note:

- Do all the holiday homework neatly on A4 sheets.
- Arrange the sheets properly and submit them in a stick file.

Mathematics

- (1) Write the following numbers in Indian system of numeration in words
(a) 76,48,921. (b) 45,67,382
- (2) Write the following numbers in the international system of numeration in words.
(a) 8,123,000 (b) 9,081,001
- (3) Find the difference of face value and place value of '3' in 8,73,54,768
- (4) Write the expanded form of following numbers
(a) 4,00,76,199 (b) 7,34,56,645
- (5) Arrange the number in ascending as well as descending.
1,33,33,733 33,36,333 36,63,333 1,33,36,333.
- (6) Form the smallest and greatest 7 digit number without repeating digits
(a) 2,1,3,9,5,6,4 (b) 5,0,6,3,7,4,2
- (7) Sujoy, Bijoy, Bimal and karan spent \$3,57,63,563 , \$5,69,82,563

,\$5,37,25,983 and \$5,11,23,768 respectively to buy their bungalows. Arrange the amount spent by them in ascending order.

(8) Write the rules for rounding off nearest 10,100 and 1000.

(9) Find the nearest 10,100 and 1000 of 69,25,90,999.

(10) Express the following numbers in Indian system of numeration.

(a) CCXXXVI (b) MMMCCCLXXXII

SHAPES

(1) Draw an angle of 125° using a protractor and name its type.

(2) A clock shows 3:00.

Which angle is formed between the hour hand and minute hand?

(3) Draw:

one acute angle

one right angle

one obtuse angle

and write their measurements.

(4) A student drew an angle of 105° and called it an obtuse angle. Is the student correct? Why?
